- Services and/or gifts such as phone cards and vouchers that are provided by a project to clients during enrollment are fundamentally different and ARE NOT considered monthly income.
- Lump sum amounts received by a family, such as inheritances, insurance settlements, or proceeds from sale of property, or back pay from Social Security are considered assets, not income, and ARE NOT recorded in HMIS.

<sup>\*\*</sup>What is the sum of this client's regular, recurrent monthly income? Only record regular, recurrent sources that are current as of today (i.e. not terminated). Income received for a minor member of the household (e.g. SSI) should be recorded under the Head of Household's information (income from employment of a minor can be excluded from the household income).
